Good Morning

Thank you for emailing the office. I would like to connect you with the Area Representative and Director, Dominique and Juan. They work out in the field offices and they can help build a partnership on this project.

Thank you for bringing this to our attention, we welcome any outdoor project that help beautify the community.

Good morning Councilwoman,

My name is [REDACTED] and I live in Mission Hills. I have been a resident of the San Fernando Valley since I was 3 years old in 1987. Another thing that happened in 1987 that also changed my life and I have held dearly to my life, the movie La Bamba came out and introduced me to the music of Pacoima's son, Ritchie Valens. Since then I have loved his music and of course early rock n roll music all together.

The reason I decided to contact you, isn't to bore you with my life or love of great music, but to ask, as a fellow resident and as a fellow fan of Ritchie to look into creating a new park in my neighborhood, borderline of Pacoima, Mission Hills. There is an open area of dirt and has been an eye sore for decades. It runs along and is bordered by the 118e and 5s freeway connection and Sharp Ave.

There are many kids in this area, who I believe would benefit from outdoor activities, including my own who range from 2-15 years old.

Being that it is close to Ritchie Valens parks, I would absolutely be thrilled to not only making this plan happen but to have it called La Bamba Park or in Spanish, El Parque de La Bamba.

I've included an aerial shot from Google Maps of the area.

Thank you so much for all your hard work.

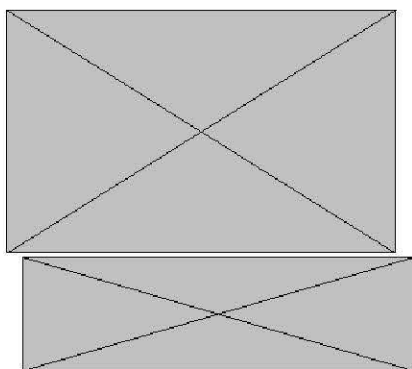

Sincerely,

[REDACTED]
